## CLASS SPECIFICATION

### SENIOR WASTE CONTAINER MAINTENANCE WELDER

Deleted: ORKER

#### FLSA STATUS:

Non-Exempt

#### CLASS SUMMARY:

The Senior Waste Container Maintenance Welder is the third level in a three level Utilities Waste Container series. Incumbents are responsible for serving as a lead worker and for performing semi-skilled work in the repair and maintenance of waste containers, including cleaning, welding, and painting containers.

Deleted: orker

The Senior Waste Container Maintenance Welder is distinguished from the Container Maintenance Welder by its responsibility for making work assignments, overseeing the work of other employees in the Waste Container series, training, ordering and distributing supplies, preparing reports, and performing administrative tasks in the absence of the supervisor.
